

FINAL REMARKS

All remaining claims should now be allowable. Should the Examiner have any further questions or concerns the Examiner wishes to address by Examiner's amendment, by telephone or otherwise, or, should the Examiner have suggestions to more clearly define the subject matter of the claims to more clearly define the patentable subject matter, the Applicant's attorney would be most receptive to such by telephone and Examiner's amendment.

Respectfully submitted,

Donn K. Harms
Reg No 38,911
Attorney for Applicant
12/4/03
